

Solar Eclipse

On August 21, 2017 a total solar eclipse will be visible in the United States for the first time in 40 years.

School-aged children are invited to visit the Hempfield Area High School Planetarium and learn more about eclipses, see what the eclipse will look like in the Pittsburgh area, and learn how to safely view the eclipse.

Thursday, July 13 and Friday, July 14
1:00pm, 2:00pm, 3:00pm, and 5:00pm
Hempfield Area High School
4345 PA-136, Greensburg, PA 15601

This event is free, but registration is required.

To register, go to **wlnonline.org/Solar**

Due to limited space, we ask that adults do not register for this program.
